

Parents,

UIL and GCISD have amended their physical policy due to COVID for the 2020-2021 school year. Below are the changes

- We will be accepting the physical on file from the 2019-2020 school year.
- Every student **MUST** have a new medical history form completed and signed by a parent
- Medical history must be completed on the updated UIL 2020 form (please see attached)

Students who **WILL** need a new physical are:

- Incoming 7th grade athletics
- Incoming 9th grade band
- Any student with red flags indicated on the medical history form, including answering yes on questions 1-6
- Transfer students from another district
- Any student new to athletics or fine arts

Please note these changes are amended for the 2020-2021 school year **ONLY**.

Medical History forms will be collected by coaches and turned into the campus athletic trainer. If there is an issue with the physical, you will be contacted by either campus athletic trainer or coach.

If you have questions regarding physical updates, please don't hesitate to email GHS Head Athletic Trainer, Tiffany Phillips at tiffany.phillips@gcisd.net

An electrocardiogram (ECG) is not required. I have read and understand the information about cardiac screening on the UIL Sudden Cardiac Arrest Awareness Form. By checking this box, I choose to obtain an ECG for my student for additional cardiac screening. I understand it is the responsibility of my family to schedule and pay for such ECG.

EXPLAIN 'YES' ANSWERS IN THE BOX BELOW (attach another sheet if necessary):
